PROGRESS IN MASS TRAINING OF POLISH UNION ACTIVISTS

On the basis of the resolution of the Secretariat of the CRZZ (Centralna Rada Związków Zawodowych, Central Council of Trade Unions) on 20 September 1951, the Training Division of the CRZZ introduced changes in the program of mass training for the 1951 - 1952 school year. Specifically, the number of hours per course and the period of instruction for union activists were shortened. Pamphlets issued by the library for trade union training turned out to be very helpful in raising the standards of mass training. Over 2 million copies were distributed among those attending the course.

The results of the mass training program for 1952 are summarized as follows:

	No Planned to Be Trained	No Actually Instructed
Trusted representatives	80,000	64,619
Social insurance delegated	95,000	54,556
Social welfare inspectors	70,000	51,362
Organizers of KO (Kulturalno-Oswiatowe, Indoctrination) projects	95,000	54,237
Factory counselors	60,000	36,233
From 1 January to 1 March 1951, [no further information given]		20,000
Total	400,000	281,012

Before initiating mass training at the 11 CRZZ training centers, 5,395 lecturers were trained by means of 101 three-day seminars held between 5 February and 29 March 1952.
